

The last three and a half years.

Many are wondering if there will be a third World War? Many nations have nuclear weapons and some are ruled by ruthless men who have little fear of killing people, so there is an increasing longing in the population for a strong man of peace to avert a possible total

disaster. The Bible says there will be such a man at the end of this age, who will make a seven year peace treaty. This

will effect even the standoff between Israel and the Palestinians, so that a third temple will be able to be built near the temple mount.

But this One World ruler will change his approach after three and a half years, and will break the treaty. He will have an image of himself put in that new temple in Jerusalem, and will require everyone to worship him. Any one refusing to do so will be killed. During this time he will force everyone to get a mark on their hand or forehead that will allow them to buy and sell. We can see a taste of this with the vaccine passes forced on us recently. Without a pass we were not allowed to eat at a restaurant, or go in to some shops. Hundreds in New Zealand lost their jobs because of, “no jab, no job”.

Many in New Zealand can see now that this was an over-reaction to the corona virus, which is no worse than an

attack of the flu. But it was just getting us used to being controlled by a system that has no interest in the man on the street—us. We must take warning – but what should we do?

You could read the Bible which tells us of all these events. You should put your trust in Jesus to lead you. It will also be best to get out of debt, and leave the city to join with others to buy land in the country – there is plenty of it. In the Book of Revelation it calls the world system, “Babylon”, which means *confusion*. Can you think of a better word to describe the present situation? And the advice that Revelation gives is, “Come out of her my people, so that you will not share in her sins, so that you will not receive any of her plagues.”

You could join with others who have already started to prepare, and have land. There you can learn to grow vegetables, fruit and animals, and to share your resources with others with a like mind. By producing our own food we will not be able to be controlled by the One World Government in those last three and a half years. It will also be a better life-style. Have you noticed the stress that is increasing in the city?

You no doubt will be feeling that the world can't keep going on the way it is--corruption increasing, illegal trafficking of things and people, and the spoiling of the environment. So it is relieving to read in the Bible that the One who created everything has planned this age to finish on a definite date, and usher in a new age. He hasn't written the date down, but in the Bible there are recorded many definite signs so that those who are reading it can be prepared. One of those signs is the appearance of this leader who will make a seven year peace treaty, and a second will be the construction of the third

temple in Jerusalem, where he will put an image of himself. Even just those two signs are definite enough for all those who are watching, that they can start counting down the three and a half years.

This tract is prepared before the years start, because late, and to buy forced to receive his God warns John that there will who does take this take the mark you Jesus. “If anyone and his image and the forehead or on drink of the wine of God's fury.”

encouraging you to last three and a half by then it will be too anything you will be mark. through His prophet be a curse on anyone mark, because to will have to deny worships the Beast receives his mark on the hand, he too will

At the end of that time, the Book of Revelation (the last book of the Bible) says that Jesus will return to the earth with thousands of angels, and all who have died in the past believing in Him. It will be a wonderful day for those who have refused to get the mark, but a terrible day for those that have denied Him and followed the anti-Christ--there will be no middle ground.

Now is the time to get to know Jesus before that Day comes, and there are many around you who can help you do this. Come to love Him for dying for you, and freeing you from the hold that sin has in your life. Ask the one who gave you this tract for a Bible, or you can ring the number below to get one. Be bold, and don't be put off in your search for the Truth.

God bless you,
